FOR IMMEDIATE RELEASE.

Wincanton Girls Football Team win prestigious award!

Congratulations to Wincanton Town Youth Girls Under 12 squad on winning the Somerset Football Association FAIR PLAY AWARD for the 2009/2010 season. Wincanton Town were up against all the girls teams in Somerset and were regarded as *the* team that showed the most respect to referees and played the game in a fair manner according to their opponents.

Although results didn't always go their way, they were highly commended for playing the game in the right spirit with a smile on their faces. Their teamwork and togetherness was a feature that helped them win the award. Our national team could learn a lot from them!

Pictured is the team after receiving their medals and trophy at the Gala Evening in Bridgwater. They also received a cheque for £200 as part of their prize.
