FOR IMMEDIATE RELEASE.

Early Christmas present for local boys team!

As the local FA Chartered Standard Football Club for the area, Wincanton Town Youth Football Club is pleased to announce the support of a local company in their quest to continue to offer football for all in the community.

Nick Day, Proprietor of local Wincanton business, 'All Improvements', has kindly stepped in and purchased a new kit for Wincanton Town Youth Under 9 Boys Team. The dedication and enthusiasm of the Wincanton Team has been a feature of their play this season and this generous support from a local business will help them continue to move forward.

David Osborne, Team Manager of the Under 9 Team comments: "This is a nice early Christmas present for the boys. We are very grateful for the financial support from All Improvements and this is a great reward for all the hard work put in by the boys every week. They love the new kit and can't wait for their next match!"

Nick Hamblin, Chairman of Wincanton Town Youth FC adds: "Without the support from local business, our job would be very difficult and we are always thankful for financial support to provide a football club the community is proud of. In these harsh economic times for local business, we are grateful a local company has stepped in to help."

Boys and girls from aged 5 years upwards are welcome to join our teams. More details are available from David Osborne on 01963 824420 or 07580 963802.
